Mr. Mason,

As a follow up, in reviewing document 693790 for FOIA # EPA-R6-2014-7728 - Delta Shipyard - SSID # 06GC, we noted that the document is listed in SEMS as CBI. Could you please confirm if this classification is correct, if the document falls under 1-95 OGC, and if so should a redacted version be created? I have provided a link to the document for your convenience. Your assistance will be greatly appreciated. If you have any questions, feel free to contact me.

If they are duplicates no need to process... just making sure you had all the documents...

Thanks.
Steve

Mr. Mason,

We have reviewed the attachments you provided in your three emails for FOIA # EPA-R6-2014-7728 - Delta Shipyard - SSID # 06GC. The attachments appear to be duplicates of Doc ID 693790 in SEMS. If you could please verify if the document in SEMS is the correct document, and indicate whether we should continue processing the attachments, we would greatly appreciate it. I have included a link below for your convenience. If you have any questions, feel free to contact me.

Site Team

You have received this e-mail because you have been identified on the Site Responsibilities List in CERCLIS. **If this request does not pertain to your Branch, please consider this e-mail for information purposes only.**

Please respond within two (2) working days, advising whether you are the Office of Primary Responsibility (OPR), or Office of Corollary Responsibility (OCR). Additionally, please advise us whether or not you have responsive information, including materials not filed into SEMS, for this request. When replying to e-mails with your response, please reply to all.

Negative replies are required.

Cook, Brenda; Villarreal, Chris; Werner, Robert; Johnson, Lydia; Banipal, Ben; Greenwell, Deborah; Mason, Steve; McQuiddy, David; Moore, Gary; Webster, Susan; Petersen, Chris; Crossland, Ronnie; Carter, Timber; Talton, Anthony; Mills, Angela; SITE ATTORNEY NOT ASSIGNED

The Region 6 Superfund Division has been assigned FOIA request # EPA-R6-2014-007728, for information pertaining to Delta Shipyard (LAD058475419) located at 200 Dean Court, Houma, Louisiana 70363.

The Requester is an attorney representing Lynn and Jackie Dean. The Deans own land that constitutes part of the former Delta Shipyards and specifically are seeking any information the U.S. Environmental Protection Agency Region 6 Superfund Division may have pertaining to this facility or its proposed status as a Superfund Site.

You have received this email because you have been identified on the Site Responsibilities List in

SEMS. If this request does not pertain to your branch, please consider this email for information purposes only.

Toeroek has completed the preliminary research for this request and [did](#) locate potentially responsive information in SEMS, Versatile and on the OSC website. Also, there is notation on the OSC website that states "This site is currently in the process of being evaluated for potential removal and / or remedial response actions". We searched Versatile, Envirofacts, SEMS and the OSC website. The requester has provided a \$25 fee commitment. This [Single-Division](#) request is due on July 23, 2014. If you have any questions regarding the research, please let me know. When replying to emails with your response, please reply to all. Thank you.
